DETAILED ACTION

1. Applicant's arguments, filed 7/3/2006, with respect to the rejections of claims 1-12 and 23-24 under §112, 2nd paragraph, and claims 1-24 under §103(a), have been fully considered and are persuasive. The rejections of the claims have been withdrawn.

Claim Rejections - 35 USC § 101

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

2. Claims 19-24 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter. The claims are directed towards a "recorded video product embodied in a computer readable storage medium". A packet stored on a disk is not executed by a computer to perform specific functions to provide a practical application. A recorded video product is protected under copyright law, not patent law.

Allowable Subject Matter

3. Claims 1-18 are allowed.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any

extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
